ONIR'S DOCUMENTARY 'RAISING THE BAR' MAKES IT TO MARYLAND INTERNATIONAL FILM FESTIVAL

Tue 07 Mar 2017, 18:24:05

Filmmaker Onir's directorial documentary Raising The Bar is now the official selection at the annual Maryland International Film Festival. The documentary essays awe-inspiring stories of six young individuals with Down syndrome as it follows them and their stories at the World Down Syndrome Congress in Chennai, India. The 118 minutes docu-film has been produced by Onir-Sanjay Suri's Antidock Film, Mitu Bhowmick - Festival Director of IFFM and Founder, Mind Blowing Films and Cate Sayers of Emotions 21.
